

FEATURES

- Highly vapour permeable, it enables the vapour to be thrown out and allows the surface to breathe.
- Easy cleaning
- Resistant to wiping
- High covering ability
- Water-based, odour-free; it is harmless for human health and environment.

APPLICATION AREA

DECOPLAS is applied on properly prepared interior mineral surfaces like rough cast, concrete, cement sheet, plaster panel surfaces and surfaces which have been painted before.

SURFACE PREPARATION

After removing all kind of dirt, oil, blistered paint and dust from the application surfaces, the defects of the surface should be corrected with **SAN DECO Acrylic Primer Interior**. Undercoat the old painted or to-be-painted surfaces with **SAN DECO Uniprimer**.

APPLICATION INSTRUCTIONS

- Prior to application, dilute **DECOPLAS** with (maximum) 20% of fresh water and mix it properly.
- Apply 2 coats with a roller, brush or spraying method and wait minimum 4 hours before applying the second layer.
- The environment of application must be kept between +5 °C to +35 °C within 24 hours during and after the application.

TECHNICAL DATA

DENSITY (g/cm³)	1,55±0,02
VISCOSITY (Krebs Unit)	115-125
FLASH POINT	Water based
PH	8-9
SOLID CONTENT % wt	58±2
VOC (g/lt) (EU Directive 2004/42/EC) Calculated theoretically.	27
DILUTION	% 20 water
COLOR	Interior Color Chart
THEORETICAL CONSUMPTION * (ml/m²) (For one coat)	70 - 80
COVERING CAPACITY (m²/L)	12,5 - 14,5
DRYING TIME (at 23°C)	Touch dry time 4-5 hours, Complete dry time 24 hours
SHELF LIFE**	1 Year
PACKAGING	7,5 L / 15 L

* Theoretical Consumption Values are calculated for a single coat application with the condition of the surface smoothness, its porosity and application methods.

** Shelf life is valid when the product is stored in its sealed package at cool and dry place, protected from direct sunlight and at storage temperature + 5°C and + 35°C conditions.

WARNINGS/ PRECAUTIONS

- **P 102** Keep out of reach of children.
- **P 301+ P 310 IF SWALLOWED:** Immediately call a **POISON CENTRE** or doctor/physician.
- Don't use the containers for food preservation.
